## OVERVIEW

Carriage-house style garage doors, steel frame, insulation-optional.

When budget is the deciding factor, this low-maintenance, insulation-optional steel frame carriage house style garage door combines clean lines and classic charm to provide a popular style at a great value. Accented with decorative hardware, these doors have the appearance of a swing-out door, but operate with the convenience of automated overhead operation.

## GRAND HARBOR® COLLECTION

Woodgrain embossed 24-gauge, 2-inch steel frame + composite overlay

Available in 3-Layer (insulated) and 2-Layer (non-insulated) options

2" thick insulation provides a 6.3 R-value for improved energy efficiency and comfort (Calculated door section R-value is in accordance with DASMA TDS-163)

Swing out appearance, overhead operation

Three series and six different designs with optional windows and decorative hardware for authentic carriage house appearance

Four factory finish paint colors

Lifetime door section warranty

WindCode rated available

LIFT MASTER® ELITE SERIES™

Clopay recommends the LiftMaster® Elite Series opener for these garage doors.
